

A Beginner's Guide to Radio Astronomy

Nakamura, Rei

2019-09-25

Abstract

Sample text record created for the webinar media-handling demo (topic: astronomy & space).
Fictional metadata; not a real work.

Keywords

Space exploration, Cosmology, Optics

This document is sample content generated for the Repository Lifebelt webinar media-handling demo. It is not a real publication; the text exists so that full-text extraction, thumbnail generation and the in-browser PDF viewer have something realistic to show. This document is sample content generated for the Repository Lifebelt webinar media-handling demo. It is not a real publication; the text exists so that full-text extraction, thumbnail generation and the in-browser PDF viewer have something realistic to show.
